

Alison Bradley

Gift Service

Whatever the occasion – a wedding, civil partnership, retirement, birthday, anniversary, engagement, christening, or any other event – if you would like to receive Alison Bradley artwork from your friends and family, we are pleased to offer our gift service. Choose the piece(s) you would like to receive, and then invite your friends and family to pay a contribution towards the cost directly to us. When we have collected all the contributions, we will present a list of all those who contributed along with the total collected, then you pay any balance owing.

We will supply a pdf file that can be printed or e-mailed giving details of the piece(s) chosen and how to pay, which you can distribute as desired.

If required, we can liaise with your event organiser to have the piece on display at the venue for your special day.

Terms and conditions apply.
